Salam perkenalan..

Saya sedang mengikuti kursus perubatan di Melbourne Uni. Kalau ada apa-apa soalan tentang Australia, Medic, Kolej Persediaan ke.. Dialukan untuk bertanya :D

banyak.  
biasanya keje dgn syarikat yang perlukan programmer.

its different than IT.

IT urus information,  
softeng create a software. it can be a software that helps maintain a business information,  
or you can work in software maintenance, for Microsoft, Mimos maybe?

saya cdg nak stay n keje sini dulu.hehe

Assalamualaikum

abang dan akak2 ausis,

saya nak tanyalah, possible tak abang dan akak ausis sediakan satu forum tentang study tips, especially untuk student yang curious macamana nak lepas sabsa exam ke.adik2 kat sini pun takut tak lepas nak fly..so nak tanyelah macamana abang dan akak boleh dapat TER mantap..

lagi satu, banyakkannya lagi gambar atau cerita-cerita pengalaman dekat sana.barulah best!

mekaseeh....

gambar? hehe boleh2..nanti kitorg post kat sini.

ttg tips tu,

tips #1:

- no procrastination~ :)

=====

## Study tips #2

Posted by afdhal - 2007/10/03 08:49

---

Tips #2:

Study hard and smart.. jangan pilih satu je :D

Assalamualaikum,

sy drpd intec n sy merupakan batch ausmat 18...nk score TER tu x susah...tips die ialah focus utk year 12...make u score at least 4 markah tertinggi for all subjects...markah tertinggi tu doesnt mean 70-80 but it's 90-100...hehe...jgn stress...x susah...focus byk2...n pandai2 la jage diri sendiri tu...hehe...tu je kot...wallahua'lam...
